The Honorable Tom Cole
Chairman
Committee on Appropriations
U.S. House of Representatives
Washington, D.C. 20515

The Honorable Rosa DeLauro
Ranking Member
Committee on Appropriations
U.S. House of Representatives
Washington, D.C. 20515

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for Jefferson City Memorial Airport (JEF) Snow Removal Equipment Building in Fiscal Year 2026. The entity to receive funding for this project is the City of Jefferson, located at 320 E McCarty St, Jefferson City, MO 65101.

The funding would be used to build a new snow removal equipment building. The current building is in need of repair and is in a poor location. The project is an appropriate use of taxpayer funds because it will ensure safe and efficient winter operations at the airport, protect equipment, provide storage materials, and facilitate rapid response to winter weather events at the airport.

The project has a federal nexus because the funding provided is for purposes authorized by 49 U.S.C. 47100 et seq.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Bob Onder (MO-03)
Member of Congress
